Situated in a semi-rural location within the hamlet of Skelsmergh, is this deceptively spacious 17th Century barn conversion. Set amongst over an acre of grounds, gardens and land, this fabulous home enjoys picturesque views onto open countryside, whilst also within convenient reach of Kendal town centre, the Lake District and Yorkshire Dales National Park. Sympathetically extended and developed, whilst seamlessly blending period features with modern fixtures and fittings, Laneside Farm offers versatile accommodation and ample storage, which would appeal to growing and dependant family members.
