Centrally located within the popular village of Flookburgh is this deceptively spacious family home constructed by a local builder as a self build project. Sympathetically extended to the rear, the property boasts two bright reception rooms, a kitchen with integrated appliances, three double bedrooms, a family bathroom and additional WC on the ground floor. Outside there is a gated drive with access to a large single garage and a low maintenance paved and stone chipped garden. With no upper chain, this property is not to be missed.
