This is a stunning family home that has been developed, extended and finished to a superb standard throughout. The contemporary styling of the decor and fittings will appeal to even the more discerning buyers. The living accommodation includes a bright family lounge with bay window, a central family room that is open to an impressive kitchen with a centre island, dining space and full width bi-folding doors opening onto a fabulous sun terrace. There is also a laundry room with fitted cupboards and a small desk area for a laptop. A two-piece WC has been installed beneath the staircase. The first floor accommodation features two double bedrooms and a larger than average third bedroom plus a smartly finished bathroom with a rain shower installed over the bath. There is plentiful parking on the private driveway, an attached garage with a remotely operated door plus an enclosed garden with a mature
