NEW This beautiful family home has been greatly improved through modernising, reconfiguring the accommodation and also featuring a large conservatory extension and a laundry room that has been created by utilising the former attached garage/store. The smartly presented accommodation will appeal to many buyers as the finish is of a great standard with tasteful colours. There is a fantastic open plan living kitchen that has direct access into the impressive garden and also to the conservatory. The bay windowed reception room provides a separate dining space. The upstairs space includes three double bedrooms and a 3-piece bathroom. There is ample parking for several cars, patio, extensive lawn and a home bar/summerhouse with attached storage. A great home for socialising and entertaining.
