This is a traditional 1930s three bedroom semi-detached home which offers nicely proportioned and well laid out accommodation over two floors. The property is accessed through an enclosed entrance porch which has a door leading to the main hallway, two reception rooms and kitchen. The first floor provides two double bedrooms, one single bedroom and a three piece shower room. The property does require modernisation and redecoration but does already benefit from being fully double glazed throughout. Outside there are gardens to the rear, driveway parking and a single garage. The property is being sold with no upper chain so may allow for a quicker completion.
