Floorplan

This floorplan is only for illustrative purposes and is not to scale. Measurements of rooms, doors, windows, and any items are approximate and no responsibility is taken for any error, omission or mis-statement. Items such as bathroom suites are representations only and may not look like the real items. Made with Moco 360.

This detached bungalow offers spacious and versatile accommodation that would appeal to families and to buyers who have a dependent or a desire to run an Airbnb perhaps. The property has separate access into the original part of the property and to the extension, allowing private access and the ability to divide the accommodation in two. The original part of the bungalow has a superb size lounge with direct access into the garden, a kitchen, two bedrooms and a 4-piece bathroom. The more recent addition has a stylish kitchen with space for a dining table and sofa plus a double bedroom with a smart 4-piece en-suite bathroom. The gated driveway offers extensive parking and access to a large detached garage. There is a lovely size garden to the rear with patio and lawn. The property also features a gas central heating system, double glazing and no upper chain.
