This is a smartly presented three bedroom semi-detached family home. The stylish and modern decor contrasts nicely against the 1930s period detailing which has been retained, particularly to the front elevation with stained/leaded glass windows/front entrance door. This is a sought after residential location which is conveniently placed for access to schooling and nursery care and also to Abbey Road which provides a direct route into the town centre and also out of town towards the A590. Outside the property there is off-road parking for 2 vehicles and to the rear a fantastic family sized garden with lawn, and paved seating area to the front and rear of the garden.
