This floorplan is only for illustrative purposes and is not to scale. Measurements of rooms, doors, windows, and any items are approximate and no responsibility is taken for any error, omission or mis-statement. Icons of items such as bathroom suites are representations only and may not look like the real items. Made with Make Energy 360.

This superbly improved terraced home is located just outside of the town centre and is also within easy reach of the local bus service, schools and takeaway. The accommodation extends over three floors with the addition of a loft conversion which offers a third bedroom and a smartly presented bathroom. The ground floor living space is open plan with a separate modern kitchen to the rear. The first floor provides a double bedroom to the front of the house and a smaller single bedroom alongside. The house has a gas-fired central heating system and UPVC framed double glazing throughout, no upper chain and FTTP broadband (fibre to the premises).
