Love how the property is presented right now? Many of the furnishing items and accessories can be available to purchase by separate negotiation. Beyond the living area is a laundry room and WC. There are 4 bedrooms, including 3 double rooms and a master bedroom with en-suite shower room. A 4-piece bathroom is accessible from the landing. An integral garage and a double width driveway should be ample for most buyers who can also enjoy the private family/pet friendly garden to the rear and the enclosed deck to the front of the house to enjoy the evening sun. Excellent EPC rating of band B.
