NEW Situated in a desirable residential area alongside the local bus route, this semi-detached bungalow offers nicely appointed accommodation with an enclosed garden frontage, off street parking, an attached garage with a remotely operated door and further garden to the rear. The property holds lots of potential through general modernising and redecorating to more extensive works including a loft conversion or adding further ground floor accommodation to the rear. The central hall leads to two spacious king-size bedrooms, two reception rooms and a three-piece shower room. The kitchen is accessed through the dining room. The property has a gas-fired central heating system with a modern combi boiler, UPVC framed double glazing throughout and no upper chain.
