NEW This beautifully presented home has been extended and improved through modernisation and conversion of the loft space to provide a second double bedroom. The living space features an open plan lounge/dining room with a separate kitchen to the rear of the property. The landing leads to the first bedroom and to a smartly presented bathroom. The accommodation also benefits from a gas-fired central heating system, upvc double glazing throughout, an enclosed yard and a fabulous, low maintenance garden with artificial lawn and decking. The town centre shops and amenities are only a short walk, as is the popular Brown Cow Inn which is just around the corner.
