This charming and unique cottage offers extensive accommodation that has been formed by the joining of two properties. Located in the lovely rural village of Beckside, Mill Cottage also features colourful gardens to relax and socialise with family and friends with the gentle sounds of the beck that runs just beyond the garden boundary. The living space is versatile and could be arranged to incorporate space for a family dependent or maybe a small Airbnb, subject to necessary works. There are 5 bedrooms, 4 reception rooms plus a conservatory, kitchen and bathroom. There is a gated driveway leading to the garages, workshop/potting shed and greenhouse.
