This characterful property is situated within the centre of this historic market town, within easy reach all the amenities including 3 pubs (1 being an award winning camera pub), bakery, butchers, good primary school and a post office etc. The accommodation is presented over multiple levels with a comfortable lounge leading to a separate dining room and onwards to the generous sized kitchen that has access into the yard where there are steps to a cellar area and external store. The split-level landing on the first floor provides access to the three-piece bathroom, separate shower room and to a twin bedroom. A further staircase leads up to a double bedroom that offers elevated views to the front and rear. The property has a gas-fired central heating system, double glazing and no upper chain.
