- A most sought after location
- Ideally positioned with transport links for commuters
- Short walking distance to local schools

This is a very rare opportunity to build your dream home on this excellent plot of land subject to the relevant planning permission. This plot has previously has planning permission for a Dorma Bungalow which has now lapsed. Located in the most sought after area of Ulverston on Woodland Road and facing The Drive, once built the property will be in the ultimate prime location with a short walk into the vibrant market town of Ulverston, and close to public transport links and local schools. A unique chance to create a wonderful new home built to your own specification. Viewing by appointment only.
