Property Details

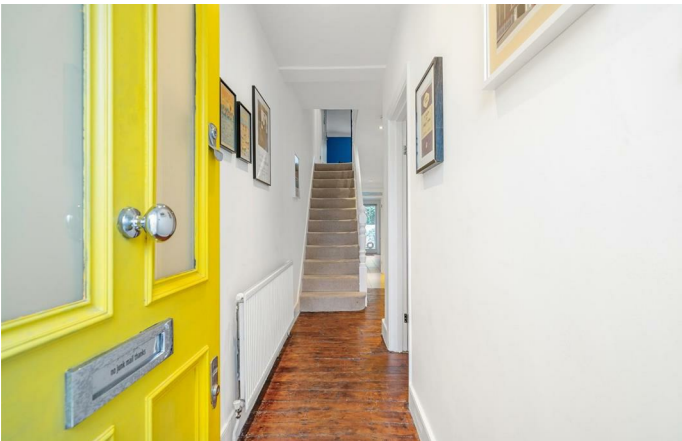

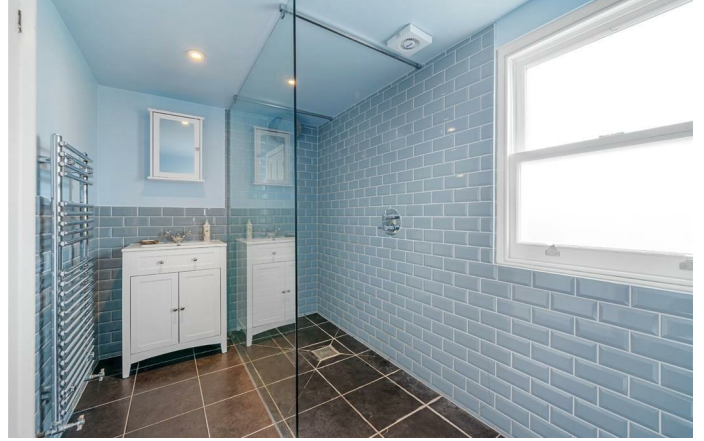

An impressive five double bedroom Victorian home on an attractive residential street within the LTN and the catchment areas for Sudbourne and Corpus Christi schools. The dual aspect reception rooms are a beautiful heart of the home with characterful features enhanced by down-lighting for a modern touch. A convenient W.C. and cloakroom, lead to the kitchen with an abundance of storage within cabinetry along both lengths. Wooden worktops wrap around to a breakfast bar. French doors allow a seamless transition to the private garden which has been re-modelled to a low-maintenance, striking outdoor spot. Arranged over the first floor are three double bedrooms. One spanning the width of the property with bay window and original fireplace. The further two bedrooms are nestled at the rear with leafy views. A renovated bathroom with bathtub separates these bedrooms. The second floor comprises the fourth and fifth bedrooms. Peacefully atop the house the larger is a suite with fitted wardrobes, access to eaves storage and a luxurious en-suite with walk-in rain shower. The fifth double bedroom is currently a home office, a versatile room with the rarity of a terrace with city views across the skyline.
