Property Details

A bright and well-proportioned two double bedroom, split-level flat, arranged over the top floors of a period property. The flat has a fantastic layout and feels instantly liveable, bright and private. The spacious open plan reception is wonderfully bright and boasts a fireplace, flanked by bespoke storage to create a feature wall. Designed and fitted by Devol, the kitchen is integrated within shaker cabinetry with a butler sink and marble worktops, wrapping around to a breakfast bar, adding to the sociable vibe. Set peacefully upstairs, the bedrooms are well-proportioned doubles with down lighting and plush carpets. The larger spans the entire width of the house, whilst the second is a generous home office, yet easy to repurpose back into a bedroom with fitted wardrobes. The bathroom is bright and spacious, with a double-ended bath and overhead shower. The home has been recently updated, with a new kitchen including new electrics, a new fireplace, new flooring with soundproofing in the reception, built-in storage, a brand new roof on the rear terrace and fully insulated as of March 2024.
