Tucked behind the dining space is a family room which has a double sided cast iron wood burning stove. From here a door opens to a third reception space which the current sellers have equipped as a home gym but would make an excellent home office should this be required.

Moving upstairs to the landing of the first floor there are doors opening to all four bedrooms and to the family bathroom which is fitted with a white four piece suite including a separate bath and corner shower cubicle. Bedrooms two and four both overlook the front while bedroom three is dual aspect with windows to the front and rear. The principal bedroom has a fitted dressing area and views over the rear garden. There is a gated access at the side leading to a large and level rear garden which is mainly lawn with flower and shrub beds and a decked patio which is accessed directly from the kitchen's bi-fold doors. At the bottom of the garden is another paved patio with a large shed and fixed aluminium Pergola with power sockets....a perfect place for comfy garden sofas to entertain guests in the summer.
