Village Amenities

The village is well catered for with a range of village shops, beauty salons and several pubs which are all family friendly and offer a host of different eating options. Sitting on the foot of The Chiltern Hills the village is surrounded by pretty countryside and both within the village and on its door step are a range of walks and bridle paths leading through to the neighboring villages of Halton, Stoke Mandeville and the market town of Wendover which in turn offers an extended range of shops and boutiques.

Education In The Area

The village benefits from being within the catchment for the highly desirable Grammar schools of Aylesbury and is served by Weston Turville CE school which is highly regarded and upon independent assessment in 2015 the report stated:

'The Christian character of the school, expressed in the vision statement which greets visitors in the entrance lobby, is evident in all aspects of the schools life and work. Relationships between staff and pupils are characterised by a genuine, caring concern for the individual. Children feel valued, and are proud that their achievements, whatever their gifts and abilities, are regularly celebrated, both in class and with the whole school.'
