The Location
Tring is a historic market town nestled in the Chilterns between Hemel Hempstead, Aylesbury and Leighton Buzzard. It is situated some 30 miles north west of London and is widely regarded as one of the premier towns of Hertfordshire. The location of Tring is ideal for an easy journey into London with a mainline train station serving London Euston in 40 minutes, Easy access to both the M1 and M25 which provide links to London Luton & Stansted and Heathrow & Gatwick airports respectively. The pretty high street benefits from architectural influences from both the Rothschild Family and William Hockvale with conservation area comprising mainly older Victorian cottages and villas. Generally the high street comprises many independently owned business with Chemists, beauty salons & hairdressers, gift shops, specialist shops, cafés, coffee shops & tea rooms. The property itself is located 50m from bus stop serving Tring Station and Aylesbury, 50m from Tring's most charming pub, The King's Arms and 100m from Western Road shops which includes a gym, post office, laundrette, convenience store, and opticians.

Ground Floor
The living room which is positioned at the front of the property with a window to the front has a lovely cast iron stove with bespoke hand made cabinets with shelving over either side of the chimney breast. A stripped wood latch and brace door then opens to an inner hallway which has stairs rising to the first floor landing and an opening to a wonderfully refitted 'eat-in' kitchen/dining room which has French doors and a window to the rear overlooking the beautifully landscaped rear gardens. The kitchen is fitted with a range of handleless, high gloss, base and eye level units and also incorporates a dishwasher, wine chiller and fridge/ freezer. From the inner hallway a door also opens to the bathroom which has been refitted with a large walk in shower cubicle, a floating effect wall mounted wash basin with vanity drawer under and a low level wc with concealed cistern. A compact utility room off the bathroom that has space for separate washing machine and dryer, as well as plentiful cupboard storage.

First Floor
The landing on the first floor has doors opening to both double bedrooms. The principle bedroom has bespoke hand made wardrobes fitted to either side of the chimney breasts. There is a window to the front aspect. The second bedroom has a window which overlooks the rear.

Outside
Directly to the rear of the house is a large oversize porcelain patio area which has raised boarders to either side with mature hedging to one side and herbaceous border to the second. From the patio area you walk through to the main portion of the garden which is laid to lawn with a variety of specimen trees and planting to both of the side boundaries. At the rear boundary there is a timber decked area which leads to the garden work pod which has a wood effect flooring, vaulted ceiling with exposed timber beams, power, light and two windows to the front. To the rear of the garden work pod is a fitted garden shed.
