***** DEVELOPMENT OPPORTUNITY*****

The site offers two well stocked and mature ponds of approximately 1.5 acres and 0.9 acres along with a three bedroom bungalow occupying its own private grounds in a plot of approximately 1.75 acres. There is also planning application (see North Lincolnshire Council Planning App No. PA/2023/1957) for change of use to the agricultural buildings. VIEWING STRICTLY BY APPOINTMENT ONLY THROUGH THE AGENT.

DESCRIPTION

A wonderful and unique opportunity to acquire this site of approximately 9.16 acres, currently occupied by an impressive sized bungalow and a range of outbuildings. The site benefits from recently granted planning approval for development of the existing agricultural buildings into three separate residential dwellings, along with also having the former agricultural user clause removed, thus opening the acquisition of the site up to a wide range of potential purchasers. This is a prime development opportunity with scope to add significant value with a total site gross development value in line with the permissions granted likely to be in excess of £3.5 million.

Prospective purchasers are advised to check North Lincolnshire Council Planning Portal, Application No. PA/2023/1957
