Welcome to a thoughtfully designed collection of characterful homes in the heart of Gayton, a friendly Norfolk village surrounded by beautiful countryside. Built by a trusted local developer, each property offers a unique design, combining quality craftsmanship with modern, energy-efficient living. A limited number of fully serviced plots are also available, giving buyers the chance to work alongside the builder for a more bespoke finish. With spacious layouts, premium features, and a welcoming community feel, this is a rare opportunity to own a truly individual home in a special location.

NOTE: All Photos are example pictures taken of some of the completed homes to show the finish quality and some of the designs available.
