The Plans Reproduced in these Particulars are with permission from
the Vendors or the Controller of HM Stationery Office
under Licence No. 100004279

LOCATION

The site is situated on Back Street/Green Lane, which itself lies off Victoria Street, a side street running between Albert Street and Barrington Gate, leading to High Street. It is therefore within easy walking distance of all local amenities including Primary and Secondary Schools, Shops, Doctors, Pubs, and it lies close to the All Saints Church. Further facilities and Secondary schools are located in the nearby towns of Spalding (7 miles). The population for Spalding is approximately 29,000 and the District of South Holland has a population of around 96,000 people (2020 figures from South Holland District Council's website).

Holbeach lies on the A151, and is just off the A17, giving good access to Kings Lynn (31 miles) and beyond to the North Norfolk coastal resorts. The A16 is within 5 miles and gives good access to Peterborough and onwards fast train journeys to London's Kings Cross (within 50 minutes). Spalding station also connects to Peterborough to the south and Doncaster to the north.

DESCRIPTION

The whole site extends to approximately 130m², and the site offered for sale is shown edged red on the plan included in these Particulars (for identification purposes only). At the present time the building that existed on the site has been partly demolished, but we are advised that planning permission has now expired. The vendor renovated the adjacent properties in recent years and is including some excess building materials from that development within this sale.

TENURE

Freehold with vacant possession upon completion.

SERVICES

It is believed that all mains services are available in the roadway. However, neither the Vendor nor the Agents make any guarantees as to the availability of services and interested parties must make their own enquiries direct with the service providers concerned as to the availability, practicality and cost of providing all necessary services to the site as required.

PLANNING CONSIDERATIONS

Full Planning Consent has been granted by South Holland District Council - Reference No. H09-0061-20 dated 26 March 2020 for the demolition of the existing cottage and its replacement with a pair of 2 bedroom cottages. This consent has now expired but is expected to be re-consented on further application. The properties will each have a rear yard, accessed via a shared gate to the right hand side of the proposed cottages.

Prospective purchasers' attention is drawn to the various conditions attached to the now expired Planning Consent, and the purchaser will be responsible for all costs associated with submitting a future planning application and fulfilling any future Planning consent conditions.

A copy of the formal Planning Consent is available from the Council's website: www.sholland.gov.uk or from the Agent's Spalding Office. Included in these Particulars is a copy of the plan determined on the Planning Applications which show the consented design of the dwellings. Any queries in respect of planning matters should be addressed direct to the Planning Department at South Holland District Council - CALL: 01775 761161.
