THE GROUNDS

The gardens to the north, south and west are mainly laid to lawn with a wide range of mature trees and shrubs together with paved pathways.

An additional area of land, to the north and west sides of the established gardens, is included in the property being offered for sale.

SERVICES:

The house has the benefit of a 3-phase electricity supply although all connections in the house are single phase.

Bridge House has mains water and oil fired central heating and private drainage system. We believe there is a mains gas supply in the locality however, interested parties must make their own enquires as to the availability of all services, the practicality and cost of connection and any other matters relating to these.

There is an externally situated Grant oil fired central heating boiler to the side of the Bridge House. An oil tank is located to the rear of the house.

RIGHT OF HOLDOVER

The Vendors and their Licensee reserve a right of Holdover up to and including 1st November 2025 to harvest the current crop of potatoes on the area of the arable field which is being sold with Bridge House.

FENCING OBLIGATIONS:

The purchaser is to erect a post and three rail timber fence around the perimeter of the west and the northern boundaries of the property within three months of the potato crop having been harvested.

WAYLEAVES, ACCESS, EASEMENTS AND RIGHTS OF WAY:

The purchaser of Bridge House will have ownership of the driveway to access the property shown shaded in green on the plan in these Particulars. The purchaser of the Barn (with planning permission for conversion to a Residential Dwelling) will have a Right of Way over the driveway, which is shown hatched in green on the enclosed plan, to access the extent of the property shaded in pink on the plan. Both parties will have to contribute towards the maintenance of the driveway and bridge according to their share of the usage/type of vehicles accessing. The purchaser of Bridge House will also allow the owner of the Barn to lay and maintain utilities over an area of the driveway as cross hatched brown on the enclosed plan.

The South Holland Internal Drainage Board have a 9-metre Byelaw adjacent to their drain which runs parallel with the roadside along Holbeach Road.

The Board have the right to access the frontage of the property when required. There is a bridge which crosses the Board drain which allows access to Bridge House.

OUTGOINGS:

Band C - payable to South Holland District Council

BOUNDARIES:

The successful purchaser shall be deemed to have full knowledge of boundaries and rights of way (if any) which have or will affect the property.

PLANS, AREAS, AND SCHEDULE:

The plans and areas have been prepared as accurately as reasonably possible and are based on the Ordnance Survey and Land Registry plans. The plans included in these Particulars are published for convenience and identification purposes only. Although believed to be correct, their accuracy cannot be guaranteed.

APPARATUS AND SERVICES:

None of the apparatus nor services have been checked; therefore, their serviceability is not guaranteed. Interested parties must make their own enquiries/inspections.

ROOM SIZE ACCURACY:

Room sizes are quoted in metric on a wall-to-wall basis.

AGENT'S NOTES:

We have been informed by the Vendors of the property that the slate roof was removed and put back on again (with the same slate tiles) in 2022 to allow for additional insulation to be added. We have been informed that the 'flat roof' was renewed in 2010 and the conservatory roof was renewed in 2020.
