

Set along the quiet and picturesque Honeycritch Lane in Froxfield, this semi-detached three-bedroom cottage offers a rare opportunity to enjoy modern comfort in a truly rural setting. Surrounded by open countryside and accessed via a quiet lane, the home offers privacy, space, and an exceptional quality of life.

The current owners have significantly improved and modernised the property throughout, while still keeping the feel of a traditional country home.

Outside, the generous wrap-around garden is a real highlight. With large lawns, a terraced BBQ area, vegetable and pumpkin patch, and a greenhouse, it's well set up for those who enjoy outdoor living or growing their own produce. There's also a shepherd's hut-style office and a separate workshop, both with lovely views - ideal for working from home or weekend projects. A private driveway provides parking for several vehicles.

Inside, the ground floor offers a well-planned layout. You enter into a light-filled dining room, which leads through to a utility room and cloakroom. The kitchen has been opened up to make the most of the views, with large windows overlooking the countryside and a walk-in larder adding useful storage. This flows through to a spacious sitting room with a log burner, perfect for cosy evenings, and then onto a recently refurbished sun room with panoramic views of the garden and fields beyond.

Upstairs are three comfortable double bedrooms, each enjoying open rural views, and a beautifully presented family bathroom with both a freestanding bath and a separate shower.

The location is another key feature - surrounded by footpaths and bridleways, it's ideal for walkers, nature lovers or anyone wanting a quieter pace of life. It's also within walking distance of the renowned 'Pub With No Name' and sits in catchment for the well-regarded Froxfield C of E Primary School.

The property runs on a septic tank, shared with a neighbour and situated in the neighbours' garden. The owners contribute approx £400 per annum for septic tank discharge and management, which includes monthly tank emptying.

Mains water & electricity, oil fired central heating.

Council tax band D - £2232 per annum.
