Overview

Apple Tree Cottage is a deceptively spacious, Victorian period terrace, located next to the recently regenerated Market Place, in the heart of Shepshed. This above-sized, mid-terraced property with character, comprises on the ground floor: a hallway, living room, an open plan kitchen (with a pantry store annex and dining space), larger-than-average utility room and one downstairs toilet (W.C). To the upper floor, there are three-double bedrooms and a good-sized bathroom, which also has the potential to form part of an en-suite space, being adjacent to one of the largest bedrooms. To the rear of the property is an outside W.C, a garden with Apple and Pear trees, with the former defining the property's name. Additionally, there is a larger than average outbuilding which has the potential to be used (or developed), for a wide-ranging variety of purposes. The current vendor restored the building back to a cottage from a business, in circa 2011 and has maintained it to a good standard, ever since. This property has many charming features and would also benefit people looking for ease of access to The M1, East Midlands Airport, and Loughborough University for work or other professional purposes.

Location**

Shepshed sits within the borough of Charnwood, is the second biggest settlement after the town of Loughborough and originally grew as a centre for the wool trade. Since the construction of the nearby M1, it has become a dormitory town for Loughborough, Leicester, Derby and Nottingham. Primary schools; Oxley, St Botolph's, Newcroft and St Winefride's. Secondary school; Iveshead School and there are a number of sports teams including Shepshed Dynamo FC, Shepshed RFC and two cricket clubs. It is a well serviced town with an ASDA, Tesco Express, a number of local stores, restaurants/pubs and takeaways. Shepshed has excellent transport links located adjacent to junction 23 of the M1. Nearest Airport: East Midlands (7.4 miles). Nearest Train Station: Loughborough (5.5 miles). Nearest Town/City: Loughborough(5.3 miles)
