OUTSIDE

This wonderful home stands at the head of this relatively small close of quality family homes, approached across a good sized gravel driveway, which provides more than ample parking for both family and visitors, as well as access to the very good sized **Integral Garage**, with electric roller blind door, workshop area to rear, service door to the adjoining accommodation, rear entrance door out into the grounds, light and power.

The front grounds are enclosed by mature hedging and fencing as appropriate. Set to one corner is an attractive sleeper raised shale covered garden bed with ornamental ferns, a rockery feature and accompanying box hedging. There is a pedestrian gate to the south western corner of the house which provides access through to a pathway leading down to the elevated rear garden patio terrace onto which the kitchen rear entrance door, the lounge diner's patio door and the rear entrance door to garage open. From here there is a very pleasant view out over the rear garden and beyond between adjoining homes towards the countryside of the south Lincoln cliff escarpment. The terrace has steps down to a good-sized area of formal lawn with a meandering paved pathway to the north eastern corner of the garden to a very attractive open pergola covered paved patio area. There are flower beds/borders containing an attractive range of shrubs and flowering plants. The garden is surprisingly private and well enclosed by panelled fencing and mature hedging as appropriate.

There is outside feature lighting, a cold water tap and exterior power points. The Mitsubishi Exodan electric air source heat pump is discreetly located down the western elevation of the house.
