Overview

Ashwater Drive is located just off Chedington Avenue, which is directly off Spring Lane, leading to Lambley and surrounding countryside including the recently opened Gedling Country Park. Towards the Plains Road end is the very popular Spring Lane Farm Shop and just around the corner is a Sainsbury's Local providing a more comprehensive range of produce. Plains Road also has regular bus services running into Mapperley's busy shopping area with a wide variety of local retailers, bars and restaurants and further still, directly in to the City Centre. The bungalow itself has been very well maintained over the years and provides very spacious accommodation, including the UPVC double-glazed and centrally heated conservatory. The lounge diner is also a great size, with a living flame coal effect gas fire and access to the inner hall, bedrooms and modern fully-tiled bathroom with mains shower over the bath.

Outside, there is plenty of parking on the block paved driveway, plus the detached double garage, with remote electric up and over door, light, power and loft space. The gardens are also very well maintained and level, with the rear garden being fully enclosed and with hard landscaping providing a choice of patio/seating areas, so that you can make the most of the sunshine, or the shade!
