Set on a large corner plot in a sought-after village location, this well-proportioned family home offers excellent space both inside and out, with plenty of scope for extension (subject to consent).

Situated on a large corner plot, the property features four generous bedrooms, ideal for family living, along with three versatile reception rooms and a dedicated study, perfect for today's modern lifestyle. The layout provides flexibility for entertaining, relaxing, and working from home.

A standout feature is the double-length garage, providing ample parking and further accommodation options, while the sizeable plot ensures plenty of outdoor space for gardening, play, or future expansion.

Offered to the market with no onward chain, this is a rare opportunity to secure a substantial family house in a popular village setting.

EXTERIOR

Front & Side Garden
The house is set on a corner plot and therefore affords a front and unusually large side garden. The existing left side fence is currently set well inside the actual house boundary and in our opinion could be moved to incorporate more garden. There is plenty of room to the left and rear of the house for extension if desired (subject to required planning consent).

Double Length Garage 28' x 8'4 (8.53m x 2.54m)
A garage of this size lends itself to full or part conversion

to further accommodation if desired (subject to the required planning consent).

Rear Garden
South & westerly facing.

The house is within easy access of local shops, amenities, two Preparatory Schools (Heathcote in Danbury itself and Elm Green in Little Baddow) and two state schools including Danbury Park Primary School (rated Outstanding by Ofsted in 2013). The village is surrounded by a wealth of National Trust woodland, including the historic landscape of Danbury Park (a former medieval deer park). Only six miles due west of Danbury is the city of Chelmsford and its excellent choice of facilities, which include two outstanding Grammar Schools, shopping centre, and a station on the main line into London Liverpool Street. To the east is the market town of Maldon with it's bustling High Street and historic Hythe Quay. The A12 and Sandon Park & Ride service (popular with commuters and shoppers) are just a couple of miles away.
