### **OUTSIDE**

The property is approached via a garden gate opening to an arched flagstone pathway, providing access to the entrance porch, and continuing through a good-sized area of enclosed front garden, laid to lawn, bordered with ornamental shrubs, flowering plants, mature bushes, and trees, leading to a second garden access gate. From the pathway, stone steps rise to another flagstone path, having a terraced border with ornamental stones, shrubs, and bushes, leading to a rear pedestrian access gate.

The front garden is enclosed by a stone wall and hedging and has a side aspect pedestrian access gate opening to flagstone steps descending past an enclosed corner area of garden, partially laid to lawn, surrounded by bushes and trees, having a naturally formed running stream and pond to the side, with stone patio area above. Beyond which, a stone path leads to a generous side aspect area of brick-paved driveway, having a secure wooden

vehicular access gate, ample parking space for several vehicles, and being enclosed by a stone wall and raised border with mature bushes and trees. To the rear of the driveway a stone pathway leads through another area of garden laid to lawn, having mature apple trees, wooden gate opening to the rear paddock, and being surrounded by hedging and a wooden fence. The natural stream continues within the garden having a second pond area. Steps rise to a spacious hardstanding gravel area, having a large opening leading back to the driveway, two STABLES with heavy wooden stable doors and lighting, currently used for storage, and an attached HAYBARN having a pair of batten doors, power, lighting, and space to park a vehicle if required. There is an outdoor water supply to the rear.

To the side of the haybarn is a parking area with caravan connection.

Beyond the hardstanding gravel area, a large wooden gate opens to 2 acres approx. of enclosed paddock, ideal for equestrian or livestock use if required.

To the rear of the property, a pair of wooden gates open to an area of patio, providing access to the rear entrance hall door and family room patio doors, respectively. There is a wooden log store, door opening to a good-sized garden storeroom, and ample space for garden furniture. Continuing from the patio, a path, bordered with bushes and climbing plants set within a raised stone wall, leads around the property to a garden shed and the rear pedestrian access gate.

Rising from the patio, stone steps climb between raised rockeries housing ornamental shrubs, bushes, and small trees, to a generous area of enclosed garden laid to lawn, having spectacular views over the neighbouring open fields to Chesterfield and the wooded hills of the surrounding Derbyshire countryside.

Within the garden are mature trees and bushes, a greenhouse, an enclosed vegetable patch, a good-sized SUMMERHOUSE with lighting and power, and a corner flagstone patio area with space for garden furniture and pot plants.

To the top of the garden, stone steps lead to a wooden pedestrian access gate which opens to a second area of enclosed vegetable patch. To the side, a cast iron gate opens to approx. 1.5 acres of rear paddock, also ideal for equestrian use if required.

The property has outside lighting and water supply.
