Joules are delighted to bring to the market this substantial 3/4 bedroom semi detached family home dating back to 1847. Originally built for Edge Lane Mill owners this fantastic property not only offers extremely spacious living accommodation set over four floors but an equally massive garden, long driveway and larger than average garage. For any buyer who is interested there is outlined planning permission for a three bed detached property in the garden, which lends itself for two families coming together yet providing separate living accommodation, Expired 24th June 2024.

The property has been well maintained by the current vendor and briefly comprises: Entrance porch, hallway, lounge with feature fireplace, dining room with French doors to the rear garden and kitchen with a range of modern fitted units. Venturing upstairs on the first floor is a spacious landing, main bedroom with a bank of fitted wardrobes and two further bedrooms. A larger than average bathroom provides a recently refitted modern three piece suite. A further staircase takes you to the attic with dormer window affording far reaching views.

If that's not enough accommodation, there is a basement room with full head height offering a multitude of uses.

Outside is a small enclosed front garden, Bushes provide hedging that run the full length of the garden and to the rear is a large enclosed garden with patio area abutting the property and a lawned garden with mature plants and shrubs. There is a heavy duty iron gate to the side elevation giving vehicular access. There is additional parking to the rear of the garden with a long driveway leading to the garage. Please note the driveway is shared with the adjoining property.

Located in a sought after part of Droylsden being convenient for all local shops and amenities, also within easy access to the M60 and within walking distance to the Metro tram stop on Ashton New Road - giving direct access to Manchester City Centre. Ashton Canal is a very short stroll away with a toe path that leads through to Manchester in one direction and Ashton in the other.
