Joules bring to the market this ground floor two bedroom apartment within Mac Court mill conversion which also offers an allocated parking bay. The accommodation briefly comprises: Communal entrance, private entrance door, hallway, open plan lounge/kitchen/diner, two bedrooms and a modern bathroom.

We believe the mill was built in the 1870's and converted into apartments in 2012.

Situated on the doorstep of Stockport centre which is currently undergoing a radical transformation with over £1billion dedicated to the regeneration of the town centre, providing retail and leisure facilities, shops, museum, cinema, theatres and eating establishments. Convenient for public transport being in walking distance to the A6, the motorway network is within easy reach as is Stockport railway station.
