

Maple Walk is a small development of just 9 detached bungalows offering a choice of sizes, with all having three bedrooms and a single or double garage. The development is located on the edge of this popular rural community surrounded by farmland, rivers and miles of walking opportunities with diverse wildlife, from red kites to otters.

The lounge is the centerpiece of the Oak, an open, spacious area which is perfect for sitting back, relaxing, and taking in the ambience of your rear garden, which you'll be able to see and have access to via the double patio doors. So, if the weather outside is just too nice to miss, you can open your doors and let in the gentle breeze. Open spaces are a key feature of the Oak, with the well-sized kitchen / dining room giving ample space for keen cooks.

Bedroom 1 offers complete ease of access, including an ensuite shower room with a toilet and shower. Bedroom 1 also comes with fitted wardrobes, with additional wardrobe space included in bedroom 2. A family bathroom completes the home.

Off-plan buyers will have the privilege of customizing their home to their liking, being given the power to personalize their worktops and kitchens if they wish. Please note: All personal choices are subject to the build stage.
