## SITUATION

Leyburn 9 miles. Hawes 10 miles. Bedale 19 miles. A1(M) Interchange at Leeming 21 miles. Skipton 26 miles. Harrogate 40 miles. Teesside 48 miles. Both Leeds Bradford & Newcastle Airports are a one-hour's drive.

Thorlby is a traditional dales village with a public house, post office and village hall. The village is a short drive from the popular market towns of Leyburn and Hawes where there are a large range of amenities including shops, cafes and both primary and secondary schools. The village is serviced by the local Little White Bus service.

The location also makes the larger centres of Teesside, Harrogate and Skipton within reasonable commuting distance.

## DESCRIPTION

Hillside Cottage is a traditional, double fronted detached house of traditional stone construction. The property stands well in the centre of the village. It would benefit from updating although it offers character features throughout and would make an excellent full time or part time home.

The property is entered into the large dual aspect living room which has feature beams and features an impressive fireplace with log burner. The kitchen diner features a good range of fitted wall and base units with an oven with hob, space for a fridge freezer and plumbing for a washing machine and dishwasher. There is ample dining area with a feature stone fireplace and a door leads out to the garden at the rear.

To the first floor there are two double bedrooms and a house bathroom with an electric shower over the bath. Usefully, there is a large eaves storage room which has limited head height. This

could be extended into if required (subject to planning).

Externally the property is complemented by a good sized rear garden which features ample lawned area and a mix of flower beds and borders together with a raised patio. There is also a useful workshop which could be used as a potting shed, and a summer house overlooking the garden.

To the front of the property is a small traditional cottage style garden with path leading to the property and a car port providing off road parking for up to 2 cars.
