Land and Buildings at Melgoats Farm

Exelby, Bedale, DL8 2HD

An Exciting Opportunity to Purchase a Range of Agricultural Buildings With Planning Permission to Create a Substantial Barn Conversion Within a 2.11 Acre Plot.

- Range of Buildings with Full Planning Permission.
- 2.11 Acre Plot
- Rural Location
- Close to Amenities and Transport Links
- Planning Permission for a 3/4 Bedroom Dwelling
- Guide Price: £500,000

SITUATION

Bedale 2.4 miles, A1(M) Interchange at Leeming Bar 3 miles, Northallerton 9 miles, Darlington 21 miles, York 34 Miles (All Distances are Approximate).

Exelby is a small village on the rural outskirts of Bedale. The village benefits from a popular pub and it is in close proximity to the market towns of Bedale and Northallerton, which offer a much wider range of services, amenities and transport links. The development plot is situated on the edge of the village and pleasantly sits offering stunning views of open countryside.

Although the property is rurally based it is also very accessible to the larger towns of Darlington, Northallerton and Bedale. Its proximity to the A1(M) also brings larger centres such as Newcastle, York and Durham into a commutable distance.

DESCRIPTION

The property offers a unique opportunity to purchase a range of agricultural buildings with planning permission to convert into a very

private and substantial three or four bedroom family home.

The range of agricultural buildings are set in a private 2.11 acre plot and offers off road parking. The prepared plans currently provide an open plan ground floor which blends together the kitchen, dining room, sitting room and utility. The ground floor also features a snug which could also be used as a fourth en-suite bedroom. The first floor of the property features three bedrooms and a family bathroom. However, these plans could be altered to suit the needs of the owner.

Externally, the property is complemented by a 2 acre approx. grass paddock and off road parking, providing the purchaser flexibility to landscape the exterior to create a social garden with land to the rear for livestock or horses. The property has been designed and situated to offer a very private family house when developed with a paddock to the rear and also being accessible to nearby market towns.

PLANNING

The property has the benefit of planning permission for the demolition of the agricultural buildings in order to create a three or four bedroom dwelling with private drive and 2 acre approx paddock in accordance with Application Number 22/02625/FUL by North Yorkshire Council.

A copy of the Decision Notice is attached to these particulars or can be emailed upon request. The purchaser(s) should satisfy themselves that they can comply with the conditions set out in the Approval Notice.

The site previously had planning permission on the stables to build a 2 bedroom bungalow. Buyers may want to discuss further developments of the site directly with the planning department

ACCESS

The property has direct access to the public highway.

SERVICES

The plot has a mains water connection. There is no mains electric to the site. However the vendor has been quoted approximately £3,500 to get the connection.

BOUNDARIES

The Vendors will only sell such interest as they have in the boundary fences, walls, ditches, hedges and other boundaries separating this property from other properties not belonging to them.

EASEMENTS AND RIGHTS OF WAY

The property is sold subject to all covenants, easements and rights of way whether mentioned in these particulars or not.
