INTRODUCTION

Leabank comes onto the market for the first time in over 70 years.

Leabank Farm represents an increasingly rare opportunity to purchase a desirable grass farm conveniently situated on the northern edge of the village of Redworth. It is situated in a very pleasant rural position close to the adjoining village of Heighington with outstanding views over the open countryside and beyond.

The farm is complemented by a good range of traditional buildings with conversion potential together with three stables and 82.08 acres of permanent pasture.

SITUATION

Sildon 2 miles, Newton Aycliffe 3 miles, Darlington 8 miles, Bishop Auckland 6 miles, Barnard Castle 17 miles (all distances are approximate).

Leabank Farm is conveniently located on the northern edge of the village of Redworth. Redworth is a small village located close Newton Aycliffe, Sildon and Darlington. It is therefore well placed in relation to the A1(M) bringing Newcastle and Teesside within reasonable commuting distance.

DESCRIPTION

Leabank Farm is a small grassland farm. The farm stands well with a south facing aspect. The farm is of high amenity and landscape value which is enhanced by Redworth Wood which forms part of the land's southern boundary.

Leabank Farm is a desirable residential farm situated in a quiet rural location. It comprises a traditional detached three-bedroom dormer bungalow which has been modernised in areas, the property is ready to move into. The accommodation is spacious and well proportioned.

The property stands well along High Road. The traditional buildings are in a good state of repair and provide the unique opportunity to convert into other uses, subject to obtaining the necessary planning consents.

LOT 1: LEABANK FARMHOUSE, FARM BUILDINGS & 25.01 ACRES APPROX (SHADED RED)

Farmhouse Accommodation (see floorplan)

Leabank Farm includes a traditional dormer bungalow which extends to over 1356 sqft. The property has been modernised in areas

and has the potential to become a fantastic family home.

The ground floor accommodation consists of an entrance porch and kitchen which features a Rayburn and pantry.

The dining room and sitting room both feature an open fire; the first bedroom is to the ground floor which is complemented by a modern en-suite shower room.

The first floor extends to two double bedrooms and family bathroom which comprises of a bath, W.C and wash basin together with eaves storage.

The property offers a rare and an exciting opportunity to create a wonderful home specific to new owners tastes or anticipated needs.

Externally, the property features a wraparound garden which is laid to lawn together with a paved path and a number of mature shrubs.

The bungalow is enclosed via a well-maintained hedge which provides a secluded and private aspect to the property.

Farm Buildings

There is an attractive range of traditional farm buildings which are in a good state of repair.

8	Former Dairy	4.6 x 2.6
9	3 Stables	4.15 x 4.07

Farmland

Lot 1 comprises a block of approximately 25.01 acres of permanent pasture land which is used for grazing and production of winter fodder.

The land is accessed via the steading area as well as benefitting from roadside frontage off Stony Bank.

The soils are predominately described on LandIS maps as freely draining slightly acid loamy soils which have been well managed.

LOT 2: 12.56 ACRES APPROX (SHADED BLUE)

Lot 2 comprises a block of 12.56 acres of permanent pasture which is used for grazing and production of winter fodder.

The land benefits from roadside frontage off Stony Bank.

The soils are predominately described on LandIS maps as freely draining slightly acid loamy soils which have been well managed.

LOT 3 – 44.51 ACRES APPROX (SHADED GREEN) – SOLD

Lot 3 comprises a block of approximately 44.51 acres of permanent pasture land which is used for grazing and production of winter fodder.

The land is accessed directly off the A6072 (Redworth Road).

The soils are described on LandIS maps as both freely draining and slowly permeable.

The land is relatively flat and classified as Grade 3 on the Agricultural Land Classification Map for England and Wales.

Lot	Field No.	Acres	Ha
