INTRODUCING HAYMARKET EDINBURGH

Nowhere is better connected than Haymarket Edinburgh.

This impressive mixed-use development brings together the city's most prestigious new office buildings along with bustling bars, cafes, shops, restaurants and two hotels.

At the centre is the expansive Haymarket Square, designed for al fresco socialising all year round.

Haymarket Edinburgh will be a vibrant oasis in the city centre. The place to be seen. The place to do business.

The place where Edinburgh connects.

CONNECTED SUSTAINABLE DESIRABLE

GRADE A OFFICE SPACE

Designed by world-renowned architects Foster + Partners, the Grade A office space at Haymarket Edinburgh features state-of-the-art facilities. It will be future-proofed with a connected and resilient infrastructure. And our architects have maximized sustainability across all aspects of the design.

Home to pioneering universities and cutting-edge industries, Edinburgh is recognised as one of the UK's most forward-thinking cities for technology and digital connectivity. 1 Haymarket Square has been designed with world-class facilities to accommodate businesses looking to the future.

CONNECTED SUSTAINABLE DESIRABLE

CONNECTIVITY

- Meets requirements for WiredScore Platinum certification – the highest level of resilience for incoming telecommunications
- Built-in 5G technology – integrated and future-proofed
- Two telecom intake rooms – allowing diverse connectivity from multiple data service providers
- Separate dedicated risers provided for diverse connections to each floor if required
- WiFi provided within reception

TECHNOLOGY

- Fully automated BMS
- Intelligent lighting controls linked to daylight and occupancy
- Ventilation designed for occupation density of 1 person/8m²

DESIGN

- Flexible floor plates – for flexible layouts and working, in line with simple effective organisation of working environments
- Feature lighting to entrance reception and lift lobbies
- 3 x 21-person passenger lifts
- 1 x combined 21-person passenger/goods/firefighting lift
- Lifts operate with destination control in line with BCO requirements for high density offices

FIRE SAFETY & SECURITY

- L2 fire alarm system
- Water mist fire suppression system
- CCTV, access control and intruder alarm systems provided in line with Secure by Design
- Intercom and dedicated access to cycle store

POWER

- Resilient electrical supply served from two substations and operating a closed ring main on site serving all buildings
- Secondary electrical supplies for life safety systems
- Full generator back-up with generator connection point on main switchboard
- Dedicated space on roof to install tenant plant if required
- Metering provided to meet BREEAM requirements and allow submetering for two tenants per floor

BUILDING A SUSTAINABLE FUTURE

Every aspect of 1 Haymarket Square has been considered through the lens of sustainability – from the very fabric of the building, to commuting considerations and how people use the space, inside and out.

CONNECTED
SUSTAINABLE
DESIRABLE

ENVIRONMENTAL EXCELLENCE

- ✓ EPC rating of A
- ✓ BREEAM certification 'Very Good' – incorporating 'Advanced Good Practice' in Sustainability
- ✓ High performance AHUs with evaporative cooling and run around coils for heat recovery
- ✓ Highly efficient VRF system for heating and cooling
- ✓ Highly efficient LED lighting
- ✓ Intelligent lighting linked to daylight and occupancy – minimizing energy demand
- ✓ Roof mounted photovoltaic panels – generating a proportion of the electrical demand
- ✓ Low energy features – energy efficient design and low or zero carbon equipment incorporated
- ✓ Reduced water consumption – minimum target of 12.5% reduction via low flow sanitary fittings
- ✓ Designated recycling areas – to encourage green behaviour and reduce waste

COMMUTING & TRAVEL LINKS

Surrounded by a network of transport routes, Haymarket Edinburgh is easily accessible via tram, train and bus. With quiet pedestrian and cycle routes also leading to the development, employees can enjoy environmentally friendly journeys into work every day.

CONNECTED SUSTAINABLE **DESIRABLE**

Working will be a pleasure at Haymarket Edinburgh. Contemporary, light-filled offices will create comfortable and productive environments. And in the midst of it all, an expansive square shared by colleagues, visitors and the wider community, creating a sociable urban vibe.

A GREAT PLACE TO WORK

The office spaces at 1 Haymarket Square have been designed with flexibility in mind and can be tailored to fit the needs of each business and every one of its employees. And with an array of bars, shops and cafes on site, professionals can make the most out of their newfound work/life balance at Haymarket Edinburgh.

- Dynamic office environments
- Showers and changing facilities
- Lockers and drying rooms
- Attractive landscaped outdoor spaces
- Retail and leisure facilities on the doorstep
- Short stroll to the heart of the city
- Excellent commuting links
- 136 cycle spaces
- 11 motorcycle spaces
- 55 car parking spaces
- Electric car charging points

The development of Haymarket Edinburgh is the result of a collaboration between Qmile Group and fund managers M&G Real Estate.

The Qmile Group has extensive expertise in constructing and managing large, mixed-use and commercial schemes.

Qmile Group and M&G have previously worked together, successfully delivering Edinburgh city centre's landmark and award-winning £750m Quatermile mixed-use development.

This latest collaboration is well placed to deliver Haymarket Edinburgh's significant future.
