CHESTERTONS

Set within the heart of the Munster Village, former farming district of Fulham, this original period terrace has been meticulously renovated and extended in recent years by the current vendors, who are offering the home to the market with no upward chain.

Extending to just under 1250 square feet of internal accommodation, the home consists of a large, bay fronted reception/dining area on the ground floor, with a modern galley kitchen off-set to the rear of the dining area. Bi-fold doors present you with lateral access to a lovely south facing garden, mainly laid to patio. There is further scope to extend the ground floor accommodation, subject to the necessary consents.

- Meticulously renovated & extended family home
- Bay fronted reception
