## Additional Information

This property was built in 2016 with a 10-year new build guarantee (dated 30 August 2016). It has underfloor heating which is fuelled by a Worcester gas-fired boiler located in the garage.

The property has a Tricel sewage treatment plant (located at the front of the property). This is serviced annually and emptied as required (last emptied Autumn 2022).

The property is on mains water. The internal stop tap is located under the utility sink. The meter is located in the road. The electricity consumer unit is located in the utility room and the meter is located in the meter box on the outside wall next to the utility room door.

The internal garage door is a FD30 fire door.

There are three properties in the development, and each are responsible for the maintenance of the drive that is within their boundary and shared responsibility for the area at the entrance. There is a management company - Brickyard Lane Management Co. Ltd - annual accounts/company house filing cost is approx. £66 for each household per annum.

The hedge is own by all three households and is cut once a year (in the Autumn) - cost approx. £80 per household per annum.

There are hard wired smoke detectors in the hallway and kitchen and a portable carbon monoxide detector by the wood burner.

The sale will include all carpets, curtains (and poles), blinds and light fittings. The vendor is purchasing a property with no onward chain.
