Grassholm is a 4 bedroom detached modern family home of generous proportions located on the edge of the hugely popular Wiltshire village of Pitton with far views to the front across the village to open countryside and views over farmland to the rear.

The property is fully double glazed, centrally heated via an oil fired boiler to radiators and presented for sale in extremely good order. The accommodation is light and airy with a wide entrance hall leading to a large double aspect sitting room, separate dining room and a recently refitted kitchen with an excellent range of cabinets and worktops and, with sufficient room to accommodate a breakfast table and chairs. There is also a cloakroom off the hall.

The first floor offers three double bedrooms, a large single bedroom and a refitted family bathroom off a spacious landing.

Grassholm sits within a partly screened generous plot with a private drive offering parking, turning and access to a detached double garage; the right hand portion has been professionally converted in to a working office with a rear window, personal door, power and light. Both garage doors are still in place and the whole roof void is accessible for storage from the left hand side.

The front garden is open plan with a number of mature shrubs and trees. Access at the side leads through to a large mature garden backing directly on to open farmland; the garden is predominately laid to lawn with a variety of shrubs and flower beds.

**LOCATION:** The village of Pitton forms part of the Pitton and Farley Parish which lies some four miles to the east of the cathedral city of Salisbury. Surrounded by rolling countryside the village offers a range of facilities including a general store and Post Office, thriving village hall, sports fields and tennis courts and a well-regarded local Inn, The Silver Plough. The village church, St Peter's, in its original form predates Salisbury Cathedral, although most of the current structure dates from around 1860. The award winning Pitton Church of England Voluntary Aided Primary School, just off the village centre, is hugely popular and extremely well regarded. Neighbouring communities include the villages of Farley, The Winterslows, Tytherley and Firsdown. Salisbury offers a more comprehensive range of recreational amenities, shopping facilities, an historic market and a wide range of schooling, both state and private, including two grammar schools and a college of further education. Salisbury has a mainline railway station, also stopping at Grateley, serving London, Waterloo and the West Country. Although a rural environment, access to the M3 and M25 is easily obtained via the A303 to the north east and to Southampton via the A36/M27 to the south.
