Agents Notes:

Prospective purchasers are advised to conduct their own investigations through their own solicitors and surveyors. These details should be considered only as an indication to assist when deciding whether to view or not. While we endeavour to make our sales particulars fair, accurate and reliable, they are only a general guide to the property and, accordingly, if there is any point which is of particular importance to you, please contact Anderson Hacking, and we will endeavour to check the position for you. Equipment and the electrical circuits have not been tested, nor the heating, plumbing or drainage systems. Therefore we strongly advise prospective buyers to commission their own survey or service reports before finalising their offer to purchase.

Measurements given are approximate room sizes only, and are intended as general guidance. You must verify the dimensions carefully before ordering carpets or any built-in furniture. Purchasers should check that the land offered is the 'whole or part of' the parcel indicated in the land registry plan. Prospective purchasers are advised to check the boundaries as indicated against the established boundaries on the ground and any land registry documents before proceeding.

Under Money Laundering Regulations, Intending purchasers will be asked to produce identification documentation at a later stage and we would ask for your co-operation in order that there will be no delay in agreeing the sale.

These particulars are issued in good faith but do not constitute representations of fact or form part of any offer or contract. The matters referred to in these particulars should be independently verified by prospective buyers or tenants.
