3 Robin Row Turners Hill Park, Turners Hill, Crawley, West Sussex RH10 4QY

Garnham H Bewley are delighted to offer for sale this spacious and excellently positioned two-bedroom park home. The property is set within the wooded grounds of the award-winning Berkeley's Turners Hill Park and is age-restricted to the over 50's. The property has recently been completely renovated to a high standard, including painting the outside, new double glazing, brand new radiators and flooring throughout.

Turners Hill Park is set just outside the village centre and offers great access to the village store and some friendly local pubs. On-site at the park, residents have access to a local convenience store, a social club and the park office. There is plenty of visitor parking, and there are bus routes towards East Grinstead, Crawley & Tunbridge Wells.

The front door of the property is to the right hand side of the park home, and sits within a storm porch. It opens straight into a bright and airy, open-plan lounge diner, which offers plenty of space for a sofa & TV set up, whilst allowing for a four-seater dining table. The lounge overlooks the rear garden which is real plus-point and is a rarity on the park.

The kitchen is in excellent condition and has recently been completely refurbished by the current owner; it offers access to the side of the property and the rear garden. The kitchen is fitted with a gas hob, electric oven, sink (with drainer) and newly fitted gas boiler. There is plenty of space for a fridge/freezer, washing machine and there is also a utility storage cupboard.

Both bedrooms are excellent sizes and easily fit a double bed each, they both benefit from built in wardrobes and have windows to the front of the property.

The bathroom is tastefully fitted with a low-level w/c, wash-hand basin and double length walk in shower, fitted with an electric power shower. There is a window in the bathroom to the side aspect.

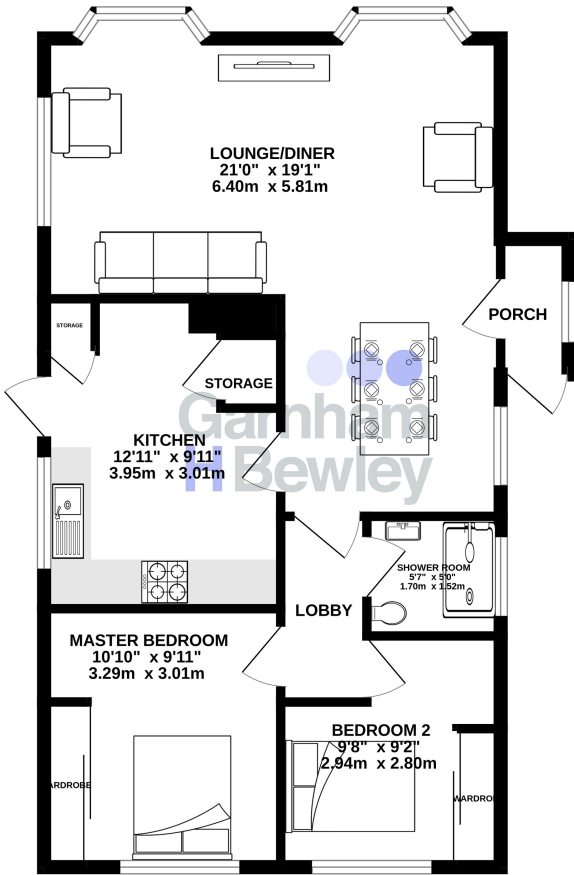

Outside, the property benefits from front and back gardens, complete with garden shed and there is also potential to put in a driveway for one vehicle.
