George Street, Fantastic apartment
Asking Price £300,000

DESCRIPTION

Hunters are delighted to welcome to the market, this upgraded 1st floor two bedroom, two bathroom luxury apartment, with its own secluded southerly aspect balcony in this centrally located modern development. We've found that George Street has really appealed to many first time buyers seeking a sleek 'lock up and leave' style apartment with its own concierge and communal meeting areas. The apartment has been carefully and considerably improved by the current owner.

The upgrades that the flat now boasts, are a stylish and sleek breakfast bar offering a larger amount of units, as well as a designated place to dine and entertain your guests within the large open plan reception room that this apartment offers. As soon as you enter, the high quality finish is evident. The vendor has installed modern, wall high tall radiators, as well as upgrading all bathrooms. Found within both en-suites, the vanity units have been installed, allowing for more practical storage - a great upgrade in our opinion, lending itself well for day to day family modern living. The principle bedroom is an ample double room, offering a large window allowing light to filter through in the mornings. The modern en-suite is fully tiled, with a large walk in shower and wall hung W/C.

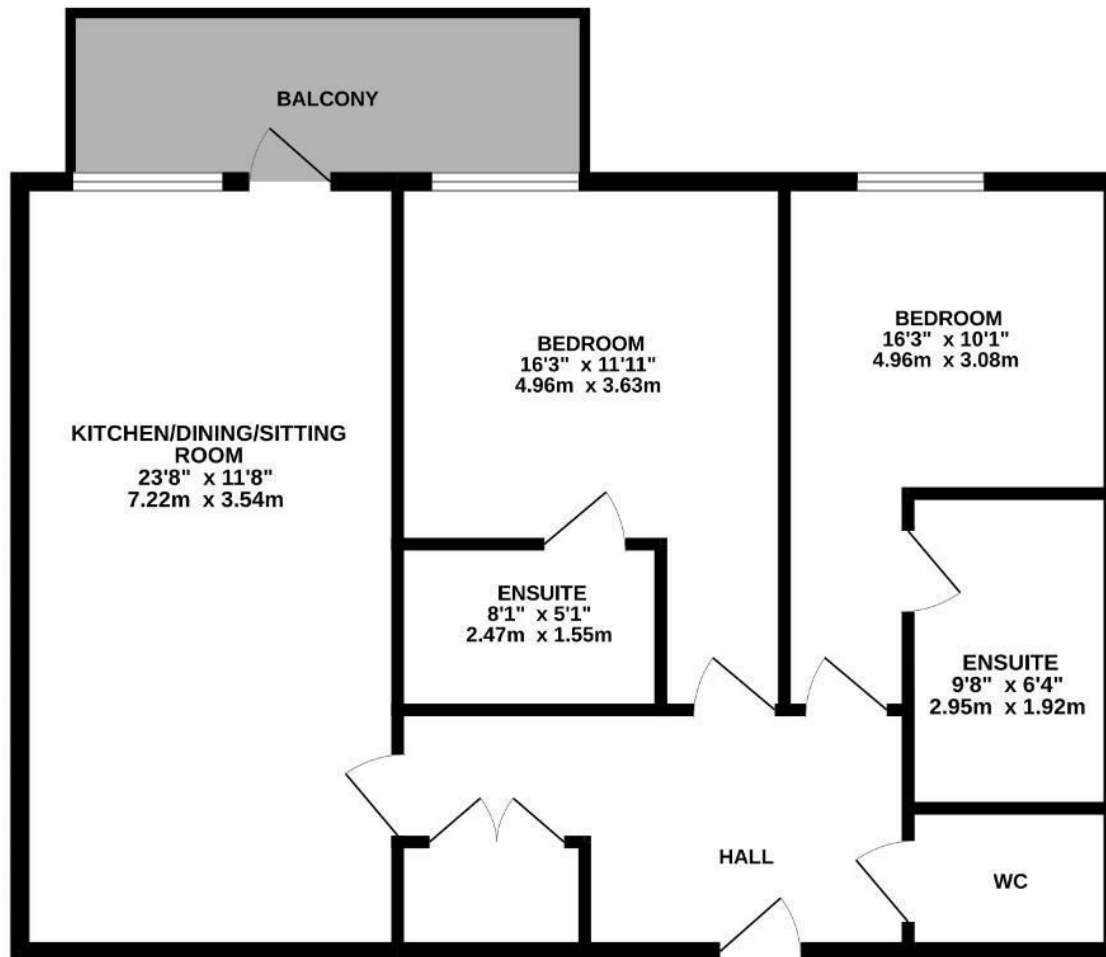

Across the hall, you'll find a further large separate W/C, great for guests. The generous guest bedroom also offers a large en-suite, this time uncooperating a bath with shower over, mimicking the modern tiled finish found in the en-suite. The hall is a generous size, which offers a large, double storage cupboard with softer softener and space for another appliance should you chose to use it this way. From the lounge, there is also a large secluded balcony, a perfect place for a few chairs to enjoy the view.

There is a secure underground parking space with the apartment which can be easily reached by lift and stairs. Victoria Point benefits from a secure gated underground car park and dedicated secure bicycle storage. Additional parking is provided in the form of a riverside car park, closely linked to the landscaped gardens and river walk which become a focal point for leisure and relaxation within the development. Overlooking the landscaped gardens, the residents lounge is an exclusive shared space facilitating informal meetings between residents and their guests in a luxurious environment. A variety of bespoke planned spaces have been tailored towards relaxing, greeting and entertaining.
