We often hear "it's tough to find a family house in great condition." That's why Hunters are so thrilled to welcome to the market, this striking, double fronted, well maintained, four bedroom detached family home, found along the well regarded Canterbury Road in Kennington. 'Immaculate home' & 'Well presented' are all terminologies overused when it comes to property descriptions, but we are in no doubt it fits the bill here.

Upon arrival, you will find your new home, positioned behind its drive way boasting parking for up to 4 vehicles. The homes' striking double fronted façade that has been maintained well by the current owners with charming brickwork and new grey windows are a few improvements! Having been in their ownership for over a decade, it's easy to see why the sellers chose to call this place home! Refurbished in 2019 - allowing the new owner to simply turn their key and enter into their abode without having to lift a finger!

The moment you enter, you will be struck by the neutral yet modern tones, from the new flooring through the homes to the upgraded kitchen and bathrooms, just a few improvements to name a few! There's a spacious entrance hall greets you as you arrive, where you can slip off your coat and shoes following the long day. Pop yourself into the homes spacious bay fronted 'snug' that's flooded with natural light, a space to let the days stresses fade away. Opposite is a further family reception room - offering bi-folding doors that lure you out into the substantially large rear laid to lawn garden. From the family lounge you will find a fine, yet another bay window, really giving character to this well kept space that's currently used as a lounge/diner. It's often said that a home must 'flow' and we feel that this house is the epiphany of the word. With its accommodation at the rear of the home offering a large, modern white gloss fitted kitchen offering the new owner the chance to entertain their guests is a huge plus! The kitchen itself is finished with a great array of wall and base units along with plenty of space for your appliances throughout as well as boasting underfloor heating!

The stairs rise from the entrance hall, providing access to the spacious, light and airy landing. There are four, good sized double bedrooms. The master bedroom is located at the front of the home, offering room for a king-sized bed as well as having large fitted wardrobes as well as boasting a modern ensuite which has been renewed, to include a large, modern en-suite shower room, updated in 2019 with modern shower, and wall hung sink & W/C the perfect addition to this well cared for home. Overlooking the garden are bedrooms 3 & 4 which are both well proportioned, bedroom 4 offering fitted wardrobes allowing you to utilise the floorspace without having free standing furniture. At the front of the home is the spacious guest room, again ample in floor space and offering that charming bay window similar to the one found in the principle bedroom. Bedrooms 2,3 & 4 are serviced by the spacious and modern family bathroom which consists of a modern, free standing bath, with wall hung wash hand basin, W/C and heated towel rail.

Externally, the property offers a fantastic rear garden, which is why many have chosen to call Canterbury Road home over the years. The plot's here are really unrivalled across Ashford, - The plot has been configured with the family in mind, to create the best of both worlds – there is a shingled area that stretches across the width of the home playing host to a table and chairs, the perfect spot to capture some shade when the sun is out! The majority of the rear plot is laid to lawn offering around 150ft of rear space - allowing the children to burn off steam whilst still capturing that tranquil, and private feel. Should you wish for more space, then you certainly won't impact on the garden size, STPP you could comfortably extend.
