£650,000

Situated on the outskirts of Shadoxhurst, lies this impressively extended, detached five bedroom eco-friendly chalet style family home offering the perfect balance between semi-rural living and being in touch with all great transport links that Ashford has to offer. Nestled back from the road, is this sympathetically upgraded and extended family home that you will want to ensure is at the top of your viewing list. Behind the homes tidy, well-kept facade, is a welcoming home which has been very well looked after by the current owners, just take a look at that garden.

Shadoxhurst is situated approximately 3 miles to the south-west of Ashford which provides extensive facilities. The delightful Wealden town of Tenterden is about 9 miles away and offers a range of specialist shops together with Waitrose and Tesco supermarkets, sports centre and swimming pool. There are good schools locally, both in the independent and state sector, including grammar schools

It's known that there are many different styles of homes found along the road, some offering more than others - that is certainly true here! Come on inside, through the front door and discover what all the fuss is about! The home offers plenty of parking to the front as well as integral garage. Internally, the layout consists of a entrance porch, which offers large hallway through to a choice of bedrooms & reception rooms – use that as you wish. The front of the home is currently where there are 2 handy ground floor bedroom, but equally offer the opportunity to be used as playrooms for the children or study's for those that work from home. Via the hall, there is a spacious family sitting room that has been opened up to create a lovely atmosphere and make the most of the open plan nature of the home. The room is flooded with natural light, thanks to the large sliding doors to the rear of the home, that really put you in touch with that glorious rear garden. Via the lounge opening there is another purpose built office space as well as further access to the garage.

The spacious dining/kitchen room forms part of the rear extension, offering an abundance of space for a growing family. You will find space for a large table and chairs, giving you the chance to entertain your guests, in a space that most will be envious of! As you would expect there are integrated appliances as standard throughout, which are found underneath stylish and contrasting worksurfaces, this room is again bathed in day light thanks to those further sliding doors found here too. Finishing the ground floor well, is a well thought out ground floor shower room with wash hand basin and W/C.

You'll find the staircase which invites you upstairs to the via the lounge opening. The master offers tranquil views to front and back, with plenty of floorspace for free standing furniture if needed, as well as a large walk in en-suite shower room too! Bedroom 2 is located at the other end of the hall and offers a similar view over that well cared for rear garden. Beds 3 & 5 are found at the front of the home, allowing you to gaze out of the windows into the far reaching green field views to the front elevation. The family bathroom services bedrooms 3&5 upstairs which has recently been installed, with a shower over bath, wash hand basin and W.C finished in a modern grey tile. The space and accommodation on offer here, has been, in our opinion designed with a growing family in mind, with five, well-proportioned bedrooms and plenty of reception space- it's a great blend of modern family living, whilst being in a semi-rural location close to all the local amenities that Ashford has to offer.

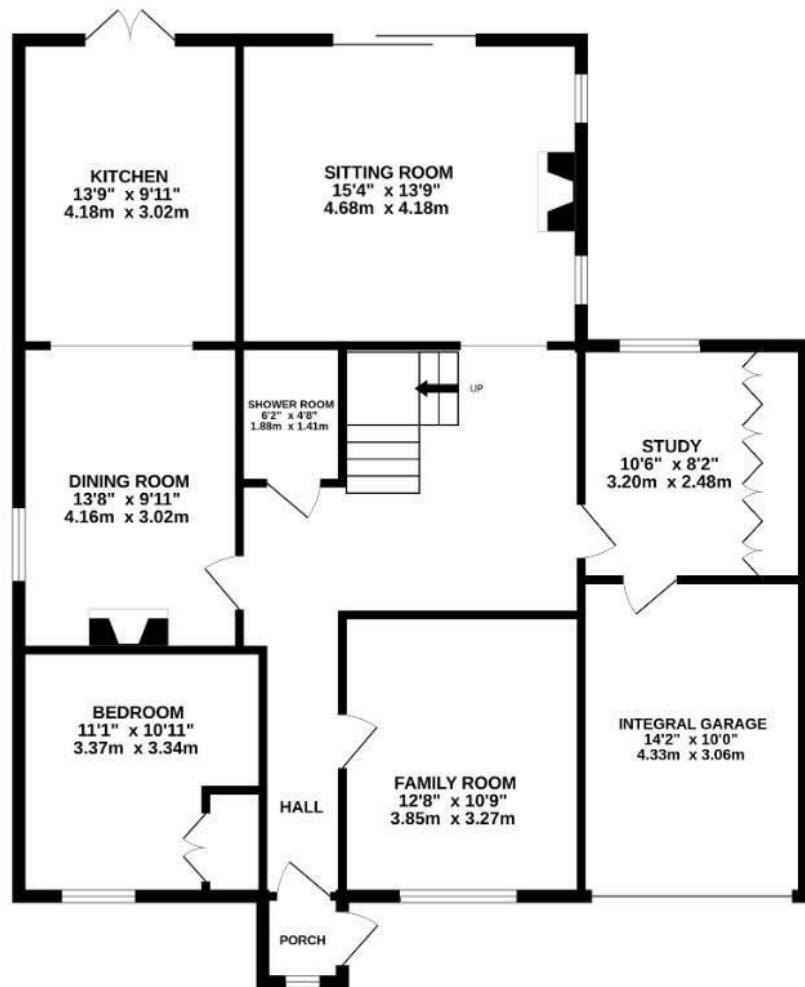

But wait... If that is not enough, there is more, step outside, this is where you'll find a lovely spot to dine alfresco and enjoy the warmer weather. Perhaps you're entertaining and letting the guests spill outside, well there's plenty to keep them occupied! Beyond the patio there's a paved path, that leads down to the rear of the garden. Meander through the well kept plot, with an array of established bushes, trees and plants that line the properties boundary, which stretches some 100+ft.

Shadoxhurst is situated approximately 3 miles to the south-west of Ashford which provides extensive facilities. The delightful Wealden town of Tenterden is about 9 miles away and offers a range of specialist shops together with Waitrose and Tesco supermarkets, sports centre and swimming pool. There are good schools locally, both in the independent and state sector, including grammar schools. Ashford International Station offers regular commuter services to the City of London taking just over 37 Mins from Ashford. Eurostar offers access via Brussels, Paris and Lille to the Continent. There are excellent road communications, with the M20 Junction 9 about 4 miles away giving access to the motorway network and to Heathrow and Gatwick airports
