£270,000 OIEO

Situated within the well regarded Glover Road in Willesborough, lies this well cared for two-bedroom semi-detached home dating back to the early 1900's offering a perfect balance of those looking to get on the ladder and being in touch of all great transport links that Ashford has to offer.

It's known that there are many different styles and layouts of these 2 bedrooms homes, some offering more than others - That is certainly true here. Come on inside, through the front door and discover what all the fuss is about! The home offers off street parking to front, as well as the traditionally well sized garden that those expect from this style house + an out-building that could be converted to a garage STPP too!

Willesborough is within reach of lots of local shops, restaurants, take aways, beauticians, a doctors' surgery, churches and halls as well as the town centre and international train station not being far away by car or public transport. Up the road is "The Hooden Smokehouse and Cellar" which a popular eatery. Willesborough is close to Junction 10 of the M20, allowing easy access to Ashford International Train (only a short walk to Ashford International/ & The Town Centre

Internally, the layout consists of a large open plan reception room that has been opened up to create a really lovely space. There's a chimney, adding an option for a log burner within the fire place, as well as a charming bay window to front, flooding the front room with natural light, in-keeping with the properties age. Beyond the lounge is the long galley style kitchen often found in homes of this age. The kitchen offers plenty of wall and base units & plenty of food preparation space.

Climb the stairs and discover the two well proportioned double bedrooms that are on offer. The master lies at the front of the home, and is ample in floorspace, whilst offering further built in storage space, to eliminate the need for any free standing furniture, allowing the room to hold the largest of beds. Across the hall you'll find bedroom 2, again a well sized double bedroom that allows you to take sight of the rear garden. Some of these homes have seen the bathroom relocated, but here, it's in its rightful place, upstairs! Servicing both beds 1 & 2 is a modest bath suite, with shower over bath, wash hand basin & W/C.

Externally, the home offers a usable laned area, with patio doors that lead from the kitchen/breakfast room where you can pop a table and chairs on the patio and enjoy the summer sun. Why not make the most of the garden, as there is scope to extend, or someone with imagination to enhance the current out-building into a permanent garage structure, or add further living space STPP, the choice is yours!
