As you wander through the door and kick off your shoes in the spacious entrance hall, you'll notice the homes study area, currently utilised as a play area/office space by the current owners, a fantastic edition from those who work from home. To the rear of the property, you will find the large reception room that allows the room to floor with natural light, an inviting living space. There is a handy conservatory area off the living room, creating a relaxing area to unwind and enjoy the wonders of your garden. The dining room boasts large windows, which also allow a flood of natural light and creates a great space to entertain guests, friends, and family. Equally, the space can easily be turned into open plan living if this style was preferred. To the front of the home, you will find a large kitchen with an array of wall and base units, complimented well, with a utility area with door into rear garden too. Finishing the ground floor nicely is a handy downstairs W/C, the staple of a family home!

From the entrance hall, you will find the stairs that rise to the landing, giving access to four bedrooms, en-suite and the family bathroom. The master bedroom is positioned at the front of the home, boasting an en-suite shower room and a handy set of built-in wardrobes and ample floor space. The second bedroom has plenty of space for a double bed as well as free-standing furniture. The third again boasts space for a double bed and free-standing furniture, with the fourth bedroom being a good sized single. Bedrooms 2, 3 & 4 are serviced by the home's family bathroom which consists of a shower over bath, wash hand basin & w/c.

The rear garden is well-maintained and benefits from sunlight throughout the day, offering a peaceful retreat with a lawned area and a large patio area. It's an ideal spot for outdoor dining or for those with a green thumb. The garden also provides access into the garage, with a real added bonus of having a power supply, and side access onto the driveway.
