Description

A rare opportunity to own a spacious Victorian family home with sea views. We are proud to present this elegant and generously proportioned Victorian mid-terrace townhouse, located directly on the seafront in East Worthing. Spanning over 2,400 sq ft across three floors, this character-filled home offers panoramic sea views, soaring ceilings, original fireplaces, sash windows, and versatile accommodation, ideal for large families, home-working professionals, or multi-generational living.

Though the property would benefit from updating, it presents a rare opportunity to restore and reimagine a truly special coastal home. The layout includes six spacious double bedrooms, including a principal suite with an en suite and dressing room, plus a separate attic room on the top floor currently used for storage but large enough to serve as a single bedroom, home office, or hobby room. There are two reception rooms with elegant proportions, a generous dining area, a large kitchen/breakfast room with garden access, a utility room, and a ground floor WC. There are also two full bathrooms and an additional separate WC. Outside, a private rear garden and off-street parking add further appeal. Situated close to the town centre, local parks, schools, bus routes, and Worthing's mainline train station, this home combines timeless period charm with enormous potential in an unbeatable location.

This is a home that offers space, character, and endless potential, all within easy reach of Brighton and London. Whether you're watching the sunset over the sea from the front windows, entertaining in the generous dining room, or planning your vision for modernisation, this is a property to fall in love with and make your own.
