Home Estate Agents are privileged with instruction to welcome to the market this fabulous "London Loft" style apartment which is, in our opinion, one of the finest examples of a one bedroom apartment in Leigh-on-Sea. This truly unique residence offers trendy industrial design and has been lovingly styled by the current owner to a high specification. Further benefitting from being available with no onward chain and also coming with off street parking for one car.

The property is served by gas central heating and provides fabulous original features which includes parquet flooring and Crittall windows.

Situated on Elm Road, within the heart of Leigh-on-Sea, the flat is just a short stroll from the bustling Broadway and its array of bars, cafés, restaurants and popular boutiques. Also within walking distance is the nearby seafront and mainline railway station - serving London Fenchurch Street for commuters.

With immaculate presentation throughout and available with no onward chain, we strongly recommend arranging a speedy internal viewing to avoid any disappointment.
