Anbury , Clyst St. Lawrence, EX15 2NJ

£1,200 Per month

A three bedroom, semi-detached house in a popular rural village, backing onto open fields, with a garage and parking. Accessible to Exeter and East Devon, ideal for commuting.

This fine house was built of traditionally block and brick construction c. 1992, one of four, lying behind a shared forecourt on approach, with parking and garages, and to the rear, with enviable rural views. The accommodation has just been refurbished and redecorated, with new carpets and flooring in all but the bedrooms. A new kitchen has been installed in a sharp, contemporary style, with an integral oven, hob and extractor hood, and the family bathroom has a new white suite, attractively tiled with a shower over the bath. The comfortable accommodation is well-proportioned but with the size of the plot and generous gardens.
