Having already been extended but still retaining excellent scope for further enlargement (STNP) whilst benefitting from a good size Southerly facing garden.

Ground Floor
The ground floor has been opened up to provide a superb open plan space. A porch leads to the entrance hall which naturally leads into the main reception room which has a window to the front and bi-folding doors opening to the rear garden. The kitchen has been fitted with a range of base and eye level units with work top over and a door opening to the side.

First Floor
The first floor landing has doors opening to three of the bedrooms and to the family bathroom which is fitted with a white three piece suite comprising panelled bath with shower attachment over, wash basin and low level wc. Two of the bedrooms overlook the front of the property while the third affords you panoramic views over the extensive Southerly facing gardens and beyond. Stairs from here rise to the first floor.

Second Floor
The second floor landing has doors opening to bedrooms four and five. One of the bedrooms has an outlook to the front while the other second floor bedroom has stunning elevated views over the garden and the countryside which is directly backing onto the property.

The Outside
The front of the property has a hardstanding driveway providing parking for several cars and leads down the side of the property to the converted garage which now has a home office at the front section with a window to the front and a pedestrian door which could make an ideal home gym or treatment room for anyone working from home. From here a door then leads to a large storage room which also opens to the rear garden. Directly to the rear of the house is a good size Indian sandstone patio which also leads to the rear of the garden where there is a timber decked area with pergola over - an ideal space to entertain while enjoying the rural views. The main part of the garden is laid to lawn and is fully enclosed by a range of fencing.
